MARIST UNIVERSITY OF MERIDA

Mission

The mission of the Marist University of Mérida is the academic, human and spiritual development of university students through the Marist educational charisma. It involves a family environment, prolonged interaction with students and a love of preserving work supported by the shared efforts of professionally and spiritually qualified brothers and laymen.

Vision

Graduates of the Marist University of Mérida will be able to:

- a) Solve personal, family and community problems.
- b) Joyfully work with perseverance and with respect for human dignity.
- c) Have a clear attitude of service, particularly towards the needy.
- d) Provide a permanent testimony of the University's motto: Live to serve.
- e) Be committed to building a more just, respectful, sympathetic and responsible society.

Values

- Honest, productive and hard work
- Truth, equality and justice
- Respect for human dignity
- Live to serve
